Alexandra Ballet is proud to present this exceptional evening of dance to the St. Louis community. The mixed repertory includes *Origami*, restaged by AB's Ballet Mistress, Norma Gabriel, to the music of Camille Saint-Saëns' *Carnival of the Animals*. The evening will include two premieres, *Insight* and *Linear Regression*. Choreographed by AB Alum Jennifer Deckert, *Insight* explores the depth and beauty of meditation. *Linear Regression*, choreographed by Assistant Professor of Dance at the University of Cincinnati André Megerdichian, exemplifies strength and individuality as aspects of one complete being. *Diana*, AB's adaptation of *Diana and Actaeon*, showcases the strong technique and classical tradition of the Alexandra Ballet Company. Choreographed by long time friend of AB, Marek Cholewa, *Diana* depicts the goddess of the hunt. This work is seldom performed in the United States, and Alexandra Ballet is most fortunate to have it in their repertoire.
